MATH 108 Introductory Calculus with Business Applications Section 004, Spring 2010

INSTRUCTOR       Sangwook Kim
Office: Science & Technology I, Room 226D
Email: skim22@gmu.edu
Phone: 703-993-1981
Webpage: math.gmu.edu/~skim22

SCHEDULE        MW 5:55pm - 7:10pm, The Engineering Building 1101

OFFICE HOURS    MW 2:30 - 4:00, and by appointments

PREREQUISITE    Specified score on the Math Placement Test or successful completion of the algebra tutorial program offered through the Mathematics Learning Center.

COURSE CONTENT  Chapters 1 - 5 will be covered.

HOMEWORK        Homework problems will be assigned weekly. Homework will not be collected. However, it is essential to solve all assigned homework problems in order to understand the course material.

QUIZZES         There will be weekly quizzes except the weeks of tests. No make-up quizzes will be given. Instead of that, I will drop your two lowest quiz scores.

TESTS & EXAMS   There will be three midterms and a comprehensive final exam.

Midterm 1 (rescheduled) : Monday February 22
Midterm 2 (rescheduled) : Wednesday March 24
Midterm 3 : Wednesday April 21

Final (rescheduled) : Wednesday May 12 (4:30 pm - 6:30 pm)
There will be no make-up tests. If you miss an exam due to a legitimate reason - which you will have to justify to me (e.g., illness), then the final exam will be used in its place.

GRADING POLICY  Quizzes = 10%
Three midterms = 60% (20% each)
Final exam = 30%

CALCULATORS     You may use a scientific calculator on quizzes and tests, but the graphing calculators will never be allowed.

HONOR CODE      It is expected that each student in this class will conduct himself or herself within the guidelines of the Honor Code. All academic work should be done with the level of honesty and integrity that this University demands.
