

George Mason University
Math 213
Calculus & Analytic Geometry III

Instructor: Trey Andreani

Section: 002

Email: fandrean@gmu.edu

Time: MW 3:00 - 4:15 PM

Office: Exploratory Hall 4407

Room: Robinson Hall B104

Office Hours: M 4:30 - 5:30 PM

Prerequisite: C or better in MATH 114 or MATH 116.

Description: We will cover partial differentiation, multiple integrals, line and surface integrals, and three-dimensional analytic geometry.

Text: Briggs and Cochran, Calculus - Early Transcendentals, 2nd Edition. (ISBN: 9780321947345) Enrollment in MyMathLab is optional.

Technology: No calculators will be allowed at any point in the course. No phones, tablets, laptops, etc. will be allowed in the classroom. If you violate this policy you will be asked to leave, and will receive a zero on any of that day's assignments.

Homework: Homework will be assigned at the end of each class. Completing the homework assignment is the bare minimum of work you should be doing outside of class. Additional problems are available for those who would like extra practice. Homework will not be collected, but completing it is essential to passing the course.

Quizzes: There will be a quiz each week during recitation based on the previous week's homework assignments. I will drop your two lowest quiz scores at the end of the semester. There will be no make-up quizzes under any circumstances.

Exams: There will be three exams during the course. You may not leave the classroom during an exam for any reason. Please come to class prepared. Make-up exams will only be given for extreme circumstances, must be accompanied by official documentation, and I must be notified in advance.

Final Exam: The final exam will be cumulative. The date and time are set by the university, and are non-negotiable.

Grading:

Quizzes - 10%

Exams - 20% x3

Final Exam - 30%

Academic Integrity: Violations of the honor code will not be tolerated.

Student members of the George Mason University community pledge not to cheat, plagiarize, steal, or lie in matters related to academic work.

Tutoring Center: The Mathematics Tutoring Center is located in the Johnson Center room 344. Please see the website for hours of operation.
