

ANNOUNCEMENTS

- January 28: Note that there is a correction to the homework; the problems which were given in class as being on page 18 are on page 13.
- February 2: The first exam will be on Monday, February 9.
- February 4: The first exam will include material through predicates and quantifiers. You will need a picture ID in order to receive an exam.
- February 23: The second exam will be on Monday, March 2.
- February 25: The second exam will include material through permutations and combinations. You will need a picture ID in order to receive an exam.
- March 2: Because the university is opening late, the second exam will be postponed until Wednesday, March 4.
- March 6: Mid-term grades have been posted. The grades were calculated using the average of the first two exams. The lowest grade has not been dropped.
- March 23: The third exam will be Monday, March 30.
- March 25: The third exam will include material through section 6.3 of the text. You will need a picture ID in order to receive an exam.
- April 20: The fourth exam will be Monday, April 27.
- April 22: The fourth exam will include material through section 13.1 of the text. You will need a picture ID in order to receive an exam.
- May 5: The final exam will be Monday, May 11, 2009, from 10:30 AM until 1:15 PM. It will include material from the entire course. You will need a picture ID in order to receive an exam.
