Prerequisites: Appropriate score on Math Placement Test, or successful completion of the algebra tutorial program offered through the Mathematics Literacy Center.

Important Dates: 6/3 First day of classes  6/24 Exam I  7/17 Exam II  7/22, last day of classes  7/24, Wednesday (04:30 pm–7:10 pm) Final Exam

Homework: Homework are not to be handed in, but to be able to do homework problems is essential to understanding of the materials.

Grading: Unannounced in-class quizzes will be given usually at the end of class. Grades will be based on the percentage of total points earned out of 400 points, divided as follows: Quizzes (50 pts), Hour Exams (200 pts. total), Final Exam (150 pts.) There will be NO make-up exams or quizzes, although some lower quiz scores may be dropped. In case one of the exam scores is much lower than the others, some consideration may be given in assigning the final
grade. If an hour exam is missed for a valid excuse, your final exam will be counted 100 pts. more. Grading Scale: A+: 96–100, A: 90–95, A-: 87–89, B+: 84–86, B: 80–83, B-: 77–79, C+: 74–76, C: 70–73, C-: 65–69, D: 60–64, F: 0–59. A+ grade will be based on exam scores before curving, if any.

Policies: 1. If there are enough seats in the room, no students are allowed to sit next to each other during exams. I can change the seat of any student during exam for any reason.
2. Students who copy other students’ exam or have someone take exam for them will be dealt with seriously.
3. When I make up exams, I always think about what I did or said in class. So it is important you don’t miss lectures. From my experience, students who attend all lectures do better in my classes.
4. I may check your ID during exams.
5. Midterm exam copies not picked up before final exam will be discarded after the final exam.
