

Sonya Kovalévskaya.

**2011 GMU Sonia Kovalévsky
Middle and High School
Mathematics Day
May 20, 2011
8am - 4pm**

Don't miss this chance!

**RSVP by April 15, 2011 via email to: skday@math.gmu.edu
More details on the website: <http://math.gmu.edu/skday11>**

For the 1st time GMU Department of Mathematics invites **7th-12th grade girls and their teachers** for a fun-filled day trip to GMU and a unique chance to:

- learn about exciting careers in science and technology
- take part in a problem solving contest with certificates awarded to top 3 contestants in each grade level
- network with female peers, undergraduate, graduate students and faculty and participate in hands-on workshops throughout the day.

Keynote speaker: Christine H. Fox, Presidential appointee, Defense Department Director of Cost Assessment and Program Evaluation (CAPE) Office, GMU Math alumna.

Free lunch and door prizes!

GMU SK Day is sponsored by the Association of Women in Mathematics (AWM) and the Department of Mathematical Sciences of George Mason University.
